

Viktoriia Safonova

Frontend Developer

Education

Projects

Skills

Work Experience

Enrolled in a frontend development program at Hyper Island, I actively engage in dynamic group projects, demonstrating exceptional teamwork abilities. Committed to continuous learning, I am fueled by a passion for personal growth and software development.

Currently seeking an internship as part of my education, I eagerly anticipate the opportunity to contribute my enthusiasm and expertise to a talented engineering team, delivering high-quality solutions.

Additionally, I have a particular interest in developing my skills in React; however, I am fully open to acquiring proficiency in other JavaScript frameworks and libraries, including Vue.js, Angular, Svelte, and next.js, among others.
